

Volunteers Needed

Join fellow SYSO family, friends, and staff to help create engaging, fun, and supportive ways for your musician to connect across SYSO's orchestras and partners. We hope you will consider volunteering to share your skills, talents, and creativity with all of SYSO's music education and training program community members.

Ways to help:

- **Join a Team** - Parent Association and Development Committee
- **Volunteer at an Event** - Annual Spring Auction
- Oct. Trunk or Treat Family Event
- Educational panels & talks
- Appreciation Days - coaches, SYSO musicians, seniors, first-time SYSO musicians & family
- SYSO Community Serve Day
