

Seattle Youth Symphony Orchestra

CORPORATE PARTNERSHIPS

SYSO invites community-oriented businesses to partner with us to produce our **2022- 23 Concert Season**. Sponsors have impacted our work by increasing access to music education via scholarships, providing essential funding for SYSO in the Schools programming—reaching 300 public-school music students in 17 schools throughout Seattle annually, and generating support in our community of parents and arts patrons through digital and in-person engagements.

Become a Corporate Sponsor, and help keep the gift of music alive in our community.
